

Joining Mirabaud, means entering an entrepreneurial and innovative environment. With the 7th generation of the Mirabaud family working within the bank, the culture is that of a family business. With over 750 employees based in 10 countries worldwide, Mirabaud offers opportunities to develop one's career across an international network of 16 offices.

Mirabaud is proud to announce the launching of the largest project since its foundation in 1819, pushing ahead its highly regarded entrepreneurial and passionate team to the next level of client servicing thanks to the adoption of enhanced digital front and back-office capabilities.

To support this ambitious digital transformation and migration to the cloud, our Data Hub, Reporting & MIS team is looking to add:

Head of IT Production

A day in your future job:

- Overseeing the daily operations of the IT department and ensuring that systems and networks are running smoothly;
- Developing and implementing policies, procedures, and processes to improve IT operations and increase efficiency and productivity;
