10 MARCH 2026 - PRESS RELEASE

## Mirabaud inaugurates renovated Paris headquarters to support its growth in France

**Paris, 10 March 2026 – The Mirabaud Group inaugurates its new Paris offices, marking the next stage in the development of its activities in France. The return of its teams to a fully refurbished building reaffirms the Group's presence in the French capital at 13 Avenue Hoche.**

This project forms part of the positive momentum of Mirabaud's activities in France since the opening of its office in 2003 and aims to provide both teams and Clients with an optimised working environment.

### **Offices to the highest standards, where heritage and contemporary art meet**

Carried out between September 2023 and December 2025, the complete renovation of this 19th-century building has enabled Mirabaud to reoccupy more than 1,000 sq m of office space spread across five floors. An extension on the top floor now houses a reception area overlooking the rooftops of Paris.

Remaining true to its identity as a bicentenary house looking to the future, Mirabaud sought to create a dialogue between this architectural heritage and a strong presence of contemporary art. The works on display, notably by Antoine Roegiers and

Michel François, form an integral part of the site's identity and enrich visitors' experience. This approach reflects the Group's long-standing commitment to contemporary art, particularly through its partnership in France with the Centre Pompidou, renewed in 2025.

### **A Parisian project serving Clients and entrepreneurs**

This new environment supports the strong growth trajectory of the French subsidiary in recent years. Mirabaud specialises in Wealth Management, Asset Management, and Corporate Advisory, with Mirabaud Advisors established in Paris in 2020. Since 2025, this activity has been further strengthened by the appointment of Marc Sabaté as its director, enabling a more coordinated approach to private and professional wealth.

Stéphane Jaouen, Head of Wealth Management France, said: *'We are delighted to have moved into these new offices, which have been designed to foster dialogue and proximity with our Clients. They support the strengthening of our integrated offering, at the crossroads of private banking, asset management and advice to entrepreneurs, enabling us to provide an increasingly comprehensive response to the wealth and professional challenges faced by the executives, families and entrepreneurs we support on a daily basis.'*
