MIRABAUD ASSET MANAGEMENT FURTHER STRENGTHENS UK WHOLESALe CAPABILITY

London, 29th April 2020 – Mirabaud Asset Management – the investment arm of the Mirabaud Group, an independent wealth and asset management group established in 1819 – has strengthened its UK wholesale sales team with the addition of Ozan Kazim.

Kazim, who joins from Slater Investments, has more than a decade of asset management experience, in both investment management and fund distribution. He was head of distribution at Slater for the past five years, prior to which he was a private client broker from 2009.

The arrival of Kazim further strengthens Mirabaud Asset Management's UK wholesale capability and demonstrates the group's long-term commitment to client relationships in this important space. Kazim reports into Selina Tyler, the head of UK wholesale at Mirabaud Asset Management.

In the UK wholesale market, Mirabaud Asset Management is witnessing increased demand for its global equity franchise – headed up by managers Anu Narula and Paul Middleton – which was launched over six years ago with a high conviction portfolio targeting strong thematic and ESG leaders. The group's UK equity and fixed income capabilities are also seeing heightened UK wholesale investor interest.

Selina Tyler comments: "Mirabaud Asset Management has built up a strong reputation in the UK as a provider of high-conviction and responsible investment solutions. We have a long-term commitment to the UK and the addition of an experienced professional such as Ozan will further boost our relationships in the wholesale market."
